Runaway, or was decoyed off by some person.

Ton the 31st October last my negro woman Nancy; about 30 years old, copper colored, square built, about 5 feet 5 or 6 inches high or more, weights 150 or 60 pounds, round amooth face, shows a good dual of the whites of her eyes, has a dark flesh mark on her right wrist about as large as a 10 cent piece. I have good reason to helieve she has a farged pass, perhaps a tree pass. Any person apprehending said negro, whether with a pass or without or in charge or under the protection of any person, male or termin, or alone, and deliver her, to me in Columbus, Georgia, er confine her in some Jail so that I man get her, will receive the above reward. Navey, was raised in East Tennessee, and has lived in Greenville, Knoxville, Gieveland, Chattanooga, and balton. Her mother (Delila Bustead, a free woman.) and her brother now live in Cleveland, East Tennessee, and she may make her way there. In addition to the shove reward. I will pay fifty dollars for swidence sufficient to convect any person of harboring her, black or white. Any information concerning her in the last four weeks will be liberally rewarded and no questions asked.

The Trustees in making this announcement would most especially appeal to all citizens who have daughters to educate, to send them to this institution. Mr. Bradshas has had charge of the school for the last 15 months during which time he has rendered ample, an re might say universal satisfaction to the Trustees, patrons and pupils. There never was a better time for men to educate their drog there has now—money is plenty—everything a firmer mises hears two prices, and the Tutton to this School is the same that it was pinen everything was at low figures.—What excuse can there be now for a man who negligets to educate his daughter? None. Because here, to Cleveland a healthy bealtry, we have an institute with an excellent instructor, sided by a sufficient corporate has excellent instruct all who may favor it with their patronage. Let one and all put their shoulder to the wheel and build up such a school as will be of a coloulable benefit to us and an honor to our town—We have the tentiding and we have the leachers—the balance devolves upon the people. We hope they may nobly perform their duty.

The Trusteen are thankful to the litizens for the matronage bestored upon Mr. Bra dahaw herefolious and are gind to know that under his aimministration the Institution has not lost any of the envisible repuration it austained in this better days of the Repulse. Memphis papers say Grenada is held by the entire rebel force. The rebels took possession of Holly Springs yesterday merning. How long they held it, or what they did, is not known here. They have also taken Car-roll Station, Humboldt, Trenton, and Dyer Station, which was evacuated by a small Federal force, and were skirmishing this P. M., at Rutherford Station.
